11	04:15	**Cloud Strategy Canvas** Group capstone presentation
12	05:45	**Way Forward** Decision frameworks and action planning

Learning & Activity Model

No heavy technical labs — business-driven decision simulations

1

Executive Simulations

Business decision-making exercises

2

Case Discussions

Real-world enterprise scenarios

3

Group Workshops

Collaborative problem-solving

4

Capstone Project

Cloud Strategy Canvas as final output

5

Optional Demo

AWS / GCP walkthrough

Designed for senior leaders: strategy, ROI, risk, governance and execution

Expected Outcomes

What participants should be able to do by the end of the workshop

- Make informed cloud decisions
- Align technology with business goals
- Understand cost, risk and governance
- Drive enterprise cloud transformation

Business alignment | Decision confidence | Practical next steps

Thank You

Let’s continue the cloud, AI and digital transformation journey.
